

NRA ACTION PISTOL SHOOTING RULES

REVISED JANUARY, 2010

NATIONAL RIFLE ASSOCIATION Official Rules for NRA Action Pistol Shooting Matches

These rules establish uniform standards for NRA sanctioned Action Pistol competition. Where alternatives are shown, the least restrictive conditions apply unless the tournament program sets forth limitations. They apply only to Action Pistol Shooting type competition. They supersede all earlier editions and remain in effect until specifically superseded.

Tournament sponsors may not alter these rules. If sponsors require additional rules for special conditions, the additions must be fully set forth in the program for the competition concerned.

The arrangement and rule numbering systems are such that corresponding rules for other types of NRA competition are correspondingly located and numbered in the Rule Books for those competitions. Gaps in the sequence of rule numbers result from there being a rule in one or more of the other Rule Books that does not apply in this book.

Recommendations for rule changes may be forwarded to the Action Shooting Committee in care of the National Rifle Association.

NOTE: Rules in which major changes have been made for the current year are marked: ● (1.1). [Click here to see all changes since the last printing of this rule book](#)
