

BERT ROLLINS MEMORIAL TROPHY

The Bert Rollins Memorial Trophy is constructed of black walnut replicating the shape of the High Power Distinguished Rifleman Badge, and mounted on a black walnut base. A laser image of Bert Rollins on black marble is centered on the badge. The trophy is 27 by 24 inches, with engraving plates surrounding the base.

This trophy was donated to the NRA by friends and teammates of Bert Rollins, through Palma Promotions, Inc., in memory of Bert, who devoted much of his life to the Shooting Sports. He was on the NRA Coach Development Staff and mentored and coached many individuals in marksmanship. Bert earned the High Power Distinguished Rifleman award as well as winning numerous other championships. He was a member of the USA Palma Team in 1992, 1995 and 1999.

This will be a perpetual trophy, awarded each year in the NRA National Long Range High Power Championship.

Match Conditions:

2010 Awarded to the high scoring competitor, using a Palma Rifle, in the NRA National Long Range High Power Championship fired annually at Camp Perry, Ohio.

TROPHY WINNERS
