

2011 NRA National Junior Indoor Sectional Championships

The NRA National Junior Indoor Rifle Championship will officially start January 1, 2011 and conclude April 17, 2011. The Indoor Championship is comprised of Sectionals where competitors can compete in their local area under the same rules and conditions required of all the Sectionals that are conducted across the United States. Scores from each Sectional are sent to the NRA; winning targets are validated by the NRA; and the NRA publishes the National Championship winners.

Six National Junior Rifle Indoor Sectional Championships are conducted annually and include: Metric Position, Conventional Position, NRA International Air Rifle, Air Rifle Precision 3-Position, Air Rifle Sporter 3-Position, and Sporter Air Rifle Standing. The Indoor Championship is the largest event of its kind in the US for junior rifle competitors. A bulletin showing National Award Winners and a National Ranking of all competitors and their scores is compiled and the official results are available at: www.nrahq.org/compete/champ1.asp.

Juniors may enter only one Junior Sectional tournament of each discipline in each calendar year for official record. Juniors may then fire in subsequent junior sectionals, but scorecards MUST be marked "Score Only." Subsequent scores fired and not marked for "Score Only" will be disqualified. Juniors may also enter Open Sectionals and Collegiate Sectionals, if eligibility rules are met.

In order for a sectional to be considered for the National Indoor Championship, at least EIGHT competitors must compete. Sponsors who, at the last minute, have less than eight individuals show, will call the NRA Indoor National Championship Statistical Officer on the Monday after their match. A determination will be made on a case by case basis of whether the scores will count in the Indoor Championship.

Applications for Sectionals should be received three months prior to the date of the Sectional for inclusion in *Shooting Sports, USA*. October 1, 2010 is the deadline for the January 2011 edition.

This program contains information for the National Junior Metric Position, Conventional Position, NRA International Air Rifle, Precision 3-Position Air Rifle, Sporter 3-Position Air Rifle, and Sporter Air Rifle Standing Sectionals and Indoor Championship.

New for the 2011 Shooting Season:

1. "Team Only" entries will not be allowed.
2. The program has been changed to allow for National Records to be set in the individual position matches. Awards for these matches will be provided by the match sponsor.
3. Fees for 2011 will be: \$8.00 per individual and \$6.50 per team.

I. GENERAL CONDITIONS

Sectionals are registered tournaments, and all guidelines for registered tournaments will be followed. Sectionals are operated by match staff composed of local officials. All local challenges and protests are to be resolved on the match site according to procedures outlined in Section 16 of the appropriate NRA Rulebook. Competitors and sponsors are responsible for the content of this program.

The National Indoor Rifle Championships are determined by scores fired in the local Sectional Tournaments that are compiled at NRA Headquarters.

National Indoor Rifle Championships Match Officials:

Match Director:	H. Q. Moody
Statistical Officer:	Dian Bullock
Referee:	Floyd Houston

All fired targets must be retained until the challenge period for the National Indoor Rifle Championships Final Results Bulletin has ended, two weeks after the bulletin is posted on-line.

The top three individual's targets and the top team's targets must be sent into NRA Headquarters for verification.

The Orion Target system has not been approved for NRA competition. The decision is under review and 2012 approval is anticipated.

Individual Matches - Open to any individual who meets the eligibility requirements of NRA Rule 2.3.

Competitors may fire in all six championships. If a competitor competes in the same discipline more than once, only the first official score is allowed. The competitor must declare prior to firing subsequent matches that the score is "for Score Only." NRA will use the first fired sectional score for competitors who fail to declare (by marking their score card "Score Only." All other reported scores for the same discipline will be disqualified.
