

2011 NRA National Metric Championship

The dates for the Second Metric National Championship have just been released. Championship dates for the Metric Prone Championship were moved up one day to provide more time to travel to Camp Perry for those competitors who wish to compete in the NRA National Conventional Smallbore Rifle Championships.

The dates are as follows:

- Position – July 15-17 (Jul 15th is a practice day)
- Prone – July 17-19 (The afternoon of Jul 17th is a practice day)

Registration for the NRA National Metric Championship will start April 1st. Smallbore rifle position and prone competitors can register by calling 703-267-1475. The Championship is limited to only 200 Position and 200 Prone entries due to range capacity. Competitors will receive their squadding immediately upon registration and payment of entry fee; a confirmation will be sent confirming registration and squadding.

The Jameson Inn, 3010 Brittany Court, Elkhart, IN 46514 (574-265-7222), is the host hotel with the same special rates for competitors who identify themselves as part of the National Metric Championship.

The NRA National Metric Championship program should be available on line and in print in March 2011. Please contact the HQ Moody, NRA National Rifle Manager (703-267-1475 or email: HMoody@NRAHQ.ORG), should you have additional questions or comments.
