PLEASE TAKE NOTE OF THE FOLLOWING:

Items with check marks are a must have. For instance bed linens. Camp Perry housing authorities do not provide bed linens for Huts, Modules, or Barracks; you must bring your own. The Camp Perry Px Store does sell single size sheet sets for around \$5 to \$10 dollars. *The Camp Perry Volunteer office does not provide linens.*

The Camp Perry Volunteer office has one refridgerator and several microwaves that volunteers may utilize. There is also a limited supply of toilet paper and cleaning supplies available for volunteers. Please be aware that these supplies are donated and are extremely limited. Mini-Fridges are also available for check-out on a first come, first serve basis.
